# Fuzzy Multiple Objective Decision Making Methods And Applications Lecture Notes In Economics And Mathematical Systems Vol 404

**on fuzzy multi-objective linear fractional programming ...** - on fuzzy multi-objective linear fractional programming problems rubi arya and pitam singh, member, iaeng abstract—optimization of the ratio of two functions is called fractional programming or ratio optimization problem. if one can optimize simultaneously collection of fractional objective functions then the problem is called multi-objective ... **model for solving fuzzy multiple objective problem** - a fuzzy linear programming (flp) method to solve dpd problems with crisp cost coefficients and fuzzy supply and demand. furthermore, zimmermann [5] extended his flp method to a multi-objective linear programming (molp) problem. in addition, researchers have developed several fgp methods to solve multi-objective dpd problems. **fuzzy bimatrix games with single and multiple objective ...** - fuzzy bimatrix games with single and multiple objective : introduction to the computational techniques andre a. keller universite de lille 1 sciences et technologies ´ clerse- umr8019/cnrs ´ cite scientifique 59655 villeneuve d'ascq cedex - france ´ andreller@univ-lille1 **interdependence in fuzzy multiple objective programming** - to deal with multiple criteria problems which are - and cannot be - well-defined. their model is a multiple objective linear fractional programming model, with fuzzy parameters and an uncertain goal for the objective function. the uncertainty is of two types: (i) an uncertainty of the satisfaction with the **a fuzzy multiple objective decision making methodology for ...** - a fuzzy multiple objective decision making methodology for electricity generation planning mehtap dursun, e. ertugrul karsak, and zeynep sener industrial engineering department, galatasaray university, istanbul, turkey abstract-although conventional energy resources are widely used for electricity generation globally as well as **fuzzy multiple objective programming techniques in ...** - fuzzy multiple objective programming techniques in modeling forest planning \* claudia anderle, mario fedrizzi and silvio giove dipt. di informatica e studi aziendali, university of trento, **an algorithm to solve multi-objective assignment problem ...** - objective of assignment problem is to assign a number of jobs to an equal number of machines so as to minimize the total assignment cost or to minimize the total consumed time for execution of all the jobs. in the multi-objective assignment problem, the objectives alone are considered as fuzzy. the classical assignment problem refers to a **a fuzzy multiple objective decision making model for ...** - abstract—in this research, a fuzzy multiple objective decision making model for solving a multi-depot distribution problem (mddp) is proposed. this effective proposed model is applied for solving in the first step of assignment first-routing **solving multi objective linear programming problems using ...** - to solve a multi objective linear programming problem using intuitionistic fuzzy optimization method. it also includes some basic properties of intuitionistic fuzzy set and operations on it. the development of algorithm is based on principle of optimal decision set obtained by intersection of various intuitionistic **applications of fuzzy theories to multi-objective system ...** - applications of fuzzy theories to multi-objective system optimization s. s. rao and a. k. dhingra school of mechanical engineering purdue university west lafayette, indiana prepared for ames research center university consortium interchange number nca2-223 january 1991 rg/ksa national aeronautics and space administration ames research center **hybrid fuzzy-linear programming approach for multi ...** - concepts of fuzzy multiple objective decision models. further a real case study of a manufacturing plant and the implementation of the proposed technique is presented. empirical results clearly show the superiority of the fuzzy technique in optimising individual objective functions when compared to non-fuzzy approach. **optimal planning of energy storage system in active ...** - system, optimal planning, bi-level programming, fuzzy multiple objective 1 introduction for the purpose of energy security and environmental benefits, a rapid growth has been experienced in the integration of regs into distribution networks, mainly wind generation (wg) and photovoltaic (pv). however, due to **a decision support system prototype for fuzzy multiple ...** - a decision support system prototype for fuzzy multiple objective optimization fengjie wu, jie lu and quangquan zhang faculty of information technology, university of technology, sydney, australia e-mail: {fengjiiew,jielu,zhangg}@it.uts **solving fuzzy multi objective non-linear programming ...** - keywords: multi objective non-linear programming problem, fuzzy multi objective non-linear programming problem, trapezoidal fuzzy numbers, crisp problem. i. introduction most of the real world problems is inherently characterized by multiple, conflicting and incommensurate aspects of evaluation. **a fuzzy topsis approach with subjective weights and ...** - a fuzzy topsis approach with subjective weights and objective weights tien-chin wang1 hsien-da lee1,2 chuan-cheng wu3 1 department of information management i-shou university, taiwan tcwang@isu 2 department of information management fortune institute of technology
