
Green Oasis Asenath Scott Winepress Publishing

the story of joseph - his place church - small green patch west of the Nile and south of Cairo is Faiyum, 570 miles² (364,800 acres) of fertile agricultural fields where there once only been a sea of sand in a desert basin. This is one of the lakes in Faiyum (which supports about two million people)! Senusret was so proud of his oasis that he chose **the story of joseph - his place church** - the story of Joseph going through Goshen part 17 - June 17, 2012 I guess I just lie. After the sale of Joseph (from Potiphar's perspective), I said we were going into his house ... but then we went back to the marketplace (to see it from Joseph's perspective) and ended up in Potiphar's fields. So, I said we explore his house today. Well ... **the pelican's gift - zanthymouse** - above the valley green, Dufazza could not see the smallness of herself against the enormity of the desolate desert that lay before. She saw only the horizon promising a journey of unimagined discovery. In her mind, there was nothing to fear, not with her magical compass, and certainly not with Briluba and Greeragon laden to overflowing.
