
Islamism And Its Enemies In The Horn Of Africa

grappling with islamism: assessing jordan's evolving approach - the regime perceives islamism in all its varieties as an existential threat to a ruling order that is regularly excoriated as undemocratic and authoritarian. jordanian power-holders see this ... **what is islamism? history and definition of a concept** - abstract islamism is a complex phenomenon with multiple dimensions and various ramifications. like other political doctrines, islamism, in its contemporary shape, is an 'ideology', a 'movement-organisation' and a 'form of government'. this study is predomi-nantly devoted to the analysis of islamism as a totalitarian ideology. **islam vs. islamism - dl4a** - islamism as ideology 180 islamism as a movement 181 islamism as tribalism 182 islamism as answer to urban, generational, and class crises 184 islamist strategies between charismatic leadership and institutionalization 184 between withdrawal and activism 186 half-modernity: using technology but rejecting its reason 187 results 187 **the challenge of islamism and its model of the palestinian ...** - islamism and looked at it as a "contemporary movement that conceives of islam as a political ideology...integrated into politics, leaving its marks on mores and conflicts" (p. ix). the aim of all islamic movements, including hamas, has been the creation of a state where the islamic **the totalitarianism of jihadist islamism and its challenge ...** - the phenomenon of islamism combines a totalising movement and the ideology of political religion. the jihadism that adopts terrorism as its most recent military strategy is only one branch of islamism. this jihadism presents a new pattern for warfare, one that is no longer waged between organised state armies. **totalitarian movements and political religions islamism ...** - that islamism is an intrinsically radical and anti-democratic extreme right-wing political ideology, one that is not only based upon an unusually strict, puritanical interpretation of central tenets of the islamic faith but is totalitarian in its very essence. hence islamist **coming to terms: fundamentalists or islamists?** - joined together to produce the encyclopaedia of islam. by the date of its completion in 1938, islamism had all but disappeared from usage, replaced simply by islam. in summation, the term islamism enjoyed its first run, lasting from voltaire to the first world war, as a synonym for islam. **political islam in the middle east - chr. michelsen institute** - islamism is a modernist project, although as utvik (1993) has noted, islamists tend to embrace modernity (technological advances, industrialism etc) but reject modernism and its concomitant strong belief in science and reason. **"the muslim brotherhood's global threat"** - the ideas of political islam and its global byproducts embodied in groups like the muslim brotherhood. we believe muslims can openly counter the common belief that the muslim faith is inextricably rooted to the concept of the islamic state (islamism). we reject the stranglehold which the muslim brotherhood, its establishment, and its **isim what is post-islamism? - universiteit leiden** - of islamism on its head by emphasizing rights instead of duties, plurality in place of a singular authoritative voice, historicity rather than fixed scriptures, and the future instead of the past. **3 the worldviews of islam, islamism and islamist extremism** - the worldviews of islam, islamism and islamist extremism 51 mind is unsatisfi ed by un-integrated, fractured, piecemeal knowledge, but seeks coherence and integrity in its understanding of reality. **developing a strategy to defeat radical islamism** - radical islamism while relegating "terrorism" to its proper place as an asymmetric tactic used by comparatively weak opponents against a stronger adversary. in support of this argument, i will critique two central elements of our current strategy to combat terrorism: the nature of the enemy, and the assumption that democracy is the long-term **is it islamic or islamist? - washingtoninstitute** - even when not using violence, stand for an ideology that is illiberal to its core -- for instance, its refusal to recognize gender equality. in the same way that communism once claimed to speak for the working class, islamism claims to represent muslims. by defending radical islamist movements, the left is helping only to give muslims a bad name. **tunisia's ennahda: rethinking islamism in the context of ...** - tunisia's ennahda: rethinking islamism in the context of isis and the egyptian coup 1 since its january 2011 revolution, tunisia has carved out a special status as the first - albeit **the roots of violent islamist extremism and efforts to counter** - mb. he was first a member of the brotherhood, but he found its ideology too moderate and too accommodating of the west. 6. as a result, he founded a splinter group in 1953, which developed from the main ideological pillars of the mb, but adopted a more radical stance on what the ultimate goal of islamism should be and the means in which to ...
